

Technology Techsure

“It’s about TIME you considered Travelers for your technology insurance needs.”

Travelers Competitive Advantage - Skills and Expertise

Since 1997, we have been actively developing industry specific solutions for the information and communications technology (ICT) sector. Our aim is to provide solutions which address the industry’s unique exposures and for these solutions to be delivered in a professional and timely manner.

TIME: The types of businesses we insure

- T** = Telecommunications companies (equipment manufacturers and telecommunications service providers)
- I** = Information technology companies (computer, software, Internet, web-based)
- M** = Medical technology companies, medical equipment suppliers/medical devices
- E** = Electronics manufacturers (of electronic hardware)

Market leading and customised covers - The Travelers difference

Techsure is a property and liability policy providing specialised covers:

1) Errors and Omissions: Liability protection for third party financial loss resulting from a failure of the Insured’s products or services. The cover is tailored to technology companies to cater for their products which would not be covered on traditional professional indemnity policies.

2) Cyber Liability: Cover for cyber liability gives wide cover in relation to third party exposures to:

- Intellectual property rights
- Privacy rights
- Defamation
- Unintentional transmission of a computer virus
