

# Travelers Schemes at a glance

Travelers Schemes offers smarter, more tailored cover to match the ambitions of clients whose needs can't be met by standard insurance products. By working closely together, we can deliver the best possible outcome for them and your business.

## Our schemes appetite in a nutshell

Travelers Schemes has a broad risk appetite. We are open-minded to schemes with an expected GWP of €1.2m – €6m, either as new start-ups or existing books, with minimal exposure to high severity losses or high hazard risks. Your scheme will most likely be UK or Ireland based, although selected European opportunities will be considered.

We are especially interested in schemes that cover:

- **IT and medical technology**
- **Motor trade**
- **Professions** e.g. solicitors, IT consultants
- **Museums**
- **Musical instruments**
- **Retail shops**
- **Membership associations and affinity groups**
- **Transportation** e.g. tractors, model railways, boats
- **GP surgeries**
- **Dental surgeries**
